Hi there. I am responding to your message from yesterday.

If you have a specific complaint of misconduct against LAPD, please forward it to our office, but our office does not have jurisdiction over the County judicial system, Sheriff's Department, or any other agency, for that matter.

When you say you would like someone to review your cases, you may need to take that up with an appellate lawyer.

Hope that is somewhat helpful. Good luck.

**Message :** My name is Kathy Gold and I've put up a website, not to convert nor conform anybody to my religion, Scientology. But to tell my side of the story of what occurred to me in Aug/September of 1998. <http://scientologyforyou.info/mystorybykathygold.html> There is no emotion, just the facts. I've also emailed Chief Charlie Beck my website to inform and educate him and his crew. I sent my email to: [contact.lapdonline@gmail.com](mailto:contact.lapdonline@gmail.com) on 7/31/13 The statute of limitations for Criminal prosecution has run out for what occurred to me in Aug/Sept 1998 but Civil is unlimited. [http://scientologyforyou.info/Kathy\\_Gold\\_and\\_The\\_LAPD.html](http://scientologyforyou.info/Kathy_Gold_and_The_LAPD.html) I've also contacted the FBI directly as well as the Secret Service indirectly, and our President of the United States of America directly, I tweeted him. <http://scientologyforyou.info/courtandjustice.html> [http://scientologyforyou.info/Tracking\\_Scientologists\\_Online.html](http://scientologyforyou.info/Tracking_Scientologists_Online.html) I also have had 3 Civil Court cases, I had some journeys. All three are different cases, I was the victim and I got screwed. This isn't suppose to happen. Not in the United States of America. If I go to court with the LAPD, I want a guarantee, that I will have a fair trial and not be undermined by the staff, the people who work in Los Angeles County's Judicial system. What government agency would handle this? I'd like to send my cases to them for review? This would also include the Sheriff's office and their behavior. I read this article today <http://www.scp.org/news/2013/12/02/40701/new-inspector-general-to-oversee-la-sheriff-s-depa/> and this office is overseeing the Sheriff's office. How about Civil not Criminal? I understand this is a highly unusual thing ie not the norm and other then these 3 court cases, I have no experience with court. I've never been to court before in my life. Thank You, Kathy Gold
